1st September 2022

Mount St. Catherine's Primary School 2022 - 2023 SOCIAL AWARENESS

Dear Parents,

The Sacred Heart Network Goal in 2022-2023, for all school communities, is '**Social Awareness that Impels to Action**'. All of our children are encouraged to develop their awareness of social justice issues that affect our local, national and global communities. We are very aware that all our families are facing financial challenges at this time as fuel, clothing, rental and food costs rise. We have made a commitment as a staff to help ease this burden where we can in the coming year.

This year (beginning Monday 5th of September) morning snack will be provided free each morning to every child P1-P7. (Milk, fruit, toast etc)

Please let us know if your family requires more help, we have access to charitable bodies that can support people. Please do not go without heat or essential groceries. Help given will be confidential.

Best wishes,
Mr Kevin O'Neill
Principal
